Leading Southern Baptist Pastor Teaches on the Supernatural World around Us

Behind every victory and every defeat, behind every blessing and every disappointment, spiritual forces are at work. In "Unseen" Dr. Jack Graham challenges popular opinions and persistent folklore with powerful biblical truth about heaven and hell, good and evil, and angels and demons, and he teaches us how to navigate this present world in light of the forces we cannot see.

Dr. Graham begins by recounting his own experience with evil when his father was brutally murdered. From there he weaves compelling stories with easy-to-understand teaching, giving readers practical, in-depth guidance on the spiritual realm. Readers will come away enlightened about the supernatural world and encouraged that God can provide protection, provision, and power for whatever lies ahead.

Book includes end-of-chapter questions. Free online small-group curriculum will also be available, including videos, application prompts, and discussion guide. Stand-alone DVD curriculum available soon.
