We do not have responsibility with content of this book.

There is an alternate cover edition for this ISBN13 here.

Fans of Harry Potter will love the chance to really get inside the Hogwarts School of Witchcraft and Wizardry. Now, straight from the Hogwarts School Library, come two textbooks used by Harry and all his fellow wizards-in-training. Written by J. K. Rowling under two delightful pseudonyms, *Quidditch Through the Ages* and *Fantastic Beasts & Where to Find Them* come packaged in a fabulous box set.

Did you know that in 1938 the wizard Zacharias Mumps set down the first full description of the game of Quidditch? Written by a renowned Quidditch expert (and "the author of many Quidditch-related works"), *Quidditch Through the Ages* reveals everything readers need to know about the most important sport in the wizarding world. From the evolution of the flying broomstick and the rules for playing Quidditch to the changes in the sport since the 14th century (up until today) and details about all the Quidditch teams of Britain and Ireland, this book is a must-have for Quidditch fans old and new. Well researched and filled with diagrams, definitions, and more, *Quidditch Through the Ages* is what every wizard-in-training needs to be a pro.

*Fantastic Beasts & Where to Find Them* offers a complete listing of all the fantastic beasts that exist in Harry Potter's world. From the Acromantula ("a monstrous eight-eyed spider capable of human speech") to the Yeti ("also known as Bigfoot, the Abominable Snowman"), here's well-researched information on where they come from, what they look like, what they eat, and, most important, what to do if you ever meet one face-to-face. This indispensable textbook also includes insight into Muggle awareness of fantastic beasts, information on why Magizoology matters, and much more. Adding to the fun and authenticity, *Fantastic Beasts & Where to Find Them* features scribbled comments in the margins from Harry Potter, the previous owner of this book, as well as his friends Ron and Hermione.
