Keep your friends close and your enemies closer...

I've hated Rachel Dawson since I was seven years old. My next door neighbor and number one sworn enemy, she's the reason why almost all of our childhood fights ended with me setting something of hers on fire. (Or, vice versa.)

She snitched on me when I broke curfew.

I snitched on her when she lied about having a boyfriend.

We went back and forth like this throughout high school, both vowing to never talk to each other again when we went off to college.

But that was until she showed up at my apartment during my senior year and asked me for a temporary place to stay. Until I realized just how much between us had changed, and the line I thought we'd never cross became harder and harder to ignore...

**\*\*This is a standalone friends (to enemies) to lovers romance\*\***
