We do not have responsibility with content of this book.

Shantideva was an Indian Buddhist while Buddhism still flourished in India. His great work, the Bodhicharyavatara, or "Entrance to the Path of Awakening," became a major text of Tibetan Buddhism long after it went out of circulation in its homeland. It is a handbook on how to realize the nature of existence and of compassion that arises from such realization. The Dalai Lama said of it, "If I have any understanding of compassion and the practice of the Bodhisattva path, it is entirely on the basis of this text that I possess it." Like the Book of Proverbs, the Bodhicharyavatara is a timeless work of wisdom, the longevity of which is due to the quality of its verse as much as to its wisdom. For the first time, an attempt has been made to recover that poetic immediacy by rendering the text in iambic lines. Regard your body as a vessel,

A simple boat for going here and there.

Make of it a wish-fulfilling gem

To bring about the benefit of beings.

With this translation, gleaming in its clarity, a Buddhist classic becomes an English classic. Worthy of recitation and committing to memory, Shantideva's words on such topics as doing good, reading sutras, guarding the mind, keeping good company, and on the nature of the mind and reality can take on a life of their own, to grow and blossom in a new native tongue. The text booms, like the voice of a Shakespearean actor, as if it were not the bodhisattva but the book itself that proclaims:

And now as long as space endures,

As long as there are beings to be found,

May I continue likewise to remain

To drive away the sorrows of the world.

--Brian Bruya

Thank you for coming book of The Mongolian TanÇ°ur Version Of The BodhicaryÄ•vatÄ•ra: Edited And Transcribed, With A Word Index And A Photo Reproduction Of The Original Text (1748) on thefrontroom.
