Does the thought of speaking in front of a group make your heart race?

Does the idea of giving a prepared presentation make your palms sweat?

Would you rather go to the dentist than step onto a stage so speak?

You are not alone. Millions of people around the world share the fear of public speaking. For some, the thought is so crippling that it ends up crippling their career and blocking opportunity.

In Standing at the Front of the Room, readers will learn how to overcome their fear and be fearless when they present. Not only will they gain insight for what to do when they actually present but they will also learn what to do before and after the presentation.

As with all books in the Back Pocket Business Guide series, Standing at the Front of the Room includes with personalized worksheets for readers to complete.
