For the information, thefrontroom do not place Paper Airplane: The Flight of Change download pdf books on our server, all of pdf files on this hosting are collected via the syber media. We do not have responsibility with copywright of this book.

Paper Airplane: The Flight of Change is a thought-provoking story about vision, courage and a sixth grader's unique response to a class project. This book encourages readers to embrace creative thinking, question the accepted standard, and adopt a new philosophy toward identifying and solving problems.

The book is designed to encourage people to believe in their ideas, and help teachers and corporate leaders motivate students and staff toward innovative thinking.

About the Author:

Michael McMillan is founder and creative director of McMillan Associates, a visual communications firm located outside Chicago, Illinois, USA. Committed to quality work and design innovation, McMillan Associates represents a roster of domestic and international clients. The firm has been recognized for leadership in design by nearly every major graphic arts authority, including AIGA, Communication Arts, HOW magazine, Print magazine, The Black Book, Printing Industries of Illinois, and Apex.
