Chuco town was a dangerous place to live. People lived in fear until a group of teenagers stood up to the violence of the corrupted and the monsters. Nobody was safe during the day or the night. A scientist heard about their reputation, and he traveled to Chuco town. He was pleased with their bravery. He ended up giving them a new technology. He also told them that his daughter was in danger, and their enemies were the ones that wanted to hurt her. With the new technology, the kids were willing to defend Chuco town and, of course, Princess Luzerella.
