A debut that took Great Britain by storm, My Legendary Girlfriend introduced the world to the loveable, lovestruck Will Kelly. Itâ€™s been three years since his heartthrob, Agnes, wrecked his life with a chat that started, â€œItâ€™s like that song. â€˜If you love somebody, set him free.â€™â€• But no matter how much time goes by, Will doesnâ€™t feel very free. He still makes lists of each birthday present Aggi ever gave him, has gymnastic fantasies about a perfect reunion night with her, dwells on the first words she uttered to him.

How long can a person stay down in the dumps after being dumped? And how much longer before Will dumps Martina, the sweet but clingy girl heâ€™s seeing? Will anyone ever measure up to his Legendary Girlfriend?

Fresh, endearing, and full of humor, My Legendary Girlfriend tells a story that will ring true for everyone whoâ€™s ever tried to mend a broken heart.
